## High School Organization

### 1. UHSAA Update – INFORMATION

Al Church and Martin Bates met with Rob Cuff, the Executive Director of the UHSAA and have come to a proposed agreement. Since Cottonwood High School does not have 9<sup>th</sup> grade students, giving AMES students 4 years of athletic competition is troublesome. It makes good sense on a pedagogical level to have AMES 9<sup>th</sup> grade students focus on academics and arts their first year at AMES.

### 2. Charter Amendment – **DECISION** – Teleconference vote March 30, 2010 3:00 p.m.

The following language would amend section 13 of the AMES Charter:

**Beginning with the 2010-11 school year, the entering freshmen and any new AMES transfer students past the 9<sup>th</sup> grade are ineligible to participate in Utah High School Activities Association sponsored athletic events (varsity, junior varsity, sophomore and freshmen teams) for 12 months from the date of first attendance at AMES.**
