Discussion was centered around holiday gifts for teachers and staff.

We agreed to provide gifts around \$10 each. Heather and Julie purchased boxes of 4 assorted spice bottles from Trader Joes. The gifts were wrapped with a bow and tagged by Nancy and then dropped off at AMES by Heather.

Thank you all for your input, figuring out what to give, helping with the purchase, wrapping and distribution.

A second topic of discussion was why didn't we receive report cards for our students. Julie reached out to Jowee and found out that AMES is not sending report cards. If parents would like a report card then can requests one online or call Jowee at AMES.
